ABOUT WILDSMITH

WILDSMITH is where science meets nature in pursuit of wellbeing. We draw our inspiration from the physiology of trees and recognition that, as in nature, humans thrive on balance. We create an integrated system of performance skincare, body treatments, and wellbeing experiences, crafted to restore balance and support the body's natural circadian rhythm.

HOW TO SPA

Attire
Our recommendation is to be comfortable. Less is best to experience the full benefit of each treatment. Robes, disposable underwear and slippers are available at The Spa or please feel free to come dressed in room robes.

Personal belongings
We recommend that you leave all valuables in your room safe as we cannot take any responsibility for loss or damage to personal belongings. We request that you do not use your mobile phone while in the spa.

Before your treatment
We ask that you allow enough time for your experience and to arrive 15 minutes prior to your appointment so that we can offer you a refreshment and the opportunity to relax before your treatment.

We will ask you to complete a consultation form that will include questions regarding your current medical status. Please note that treatments often stimulate an increased blood flow which may be inadvisable for those with certain medical conditions.

We want to ensure that your chosen treatment is suitable for you and that you get the most from your experience with us.

Reservations & cancellations
Please book spa treatments at least 12 hours in advance. Whilst walk-in appointments are accepted, they are also subject to availability. To book call Extension 114.

Should you wish to cancel a 'Signature treatment' clients are requested to provide 24 hours' notice otherwise 100% of the appointment cost will be charged to your room.

For all other treatments clients are requested to provide 12 hours' notice otherwise 50% of the appointment cost will be charged to your room. If you do not arrive for your appointment we will charge the full treatment price.

Payment & gratuities
We accept all major credit cards for spa services for day-pass guests. Resort guests have the added convenience of charging spa services directly to their room with an authorized signature. Please note that a 17% ABST Government Tax will be automatically applied to all spa services.

Gratuities are graciously accepted in cash or may be conveniently added to your final bill at your discretion.
